Message from the Chief Buddy Robshaw

The Cheverly Police Department is proud to announce the addition of Lieutenant Joseph Frohlich to the force. Lt. Frohlich is a thirty-year veteran of the Prince George's County Police and brings exceptional ex-POLICE perience in all aspects of patrol and investigation. He is very familiar with Cheverly,

is a longtime resident of the area, and will certainly enhance the ability and professionalism of this department. Please take a moment to welcome Lt. Frohlich when you see him.

I would like to thank everyone who attended the first Chief's Advisory Committee / Neighborhood Watch Meeting on September 21. A wide range of topics were discussed at this meeting, including, the current state of crime in Cheverly and Prince George's County, the goals of the police department in the coming year, the needs and strengths of a community/police partnership, and the importance of accurate and timely information sharing. There were a number of good ideas presented by residents who attended as well as insightful discussions on current problems. Our next meeting date is Wednesday, October 26, 2005, at 7:30 PM.

Please contact my office as soon as possible if you have occasion to call for police service but are unable to receive an adequate response. This is of particular importance if you dial the non-emergency number of 301-333-4000. This number goes directly to the Prince George's County, Combined Public Safety Communications, the facility that dispatches Cheverly police units.

Several residents have recently found reason to complain about animal violations (loud barking, animals running loose, etc.) only to be rebuffed when attempting to contact the Prince George's County, Combined Public Safety Communications. The county does not typically dispatch police officers (including the Cheverly Police) for animal complaints and residents therefore may not receive timely police response to these calls. As an alternative, residents are encouraged to call the Cheverly Police Department, Monday through Friday, from 9:00 AM to 5:00 PM, at (301) 773-8362. Although

(Continued on page 3)

(Chief's Message—Continued from page 2)

this department will only respond to residents who identify themselves that information will remain confidential and this department will subsequently investigate these violations.

The police department is currently planning a series of education/training seminars and workshops for residents on a wide range of topics. Some topics would include basic criminal and traffic law for the layman, home safety and burglary prevention, and understanding code enforcement. These seminars are planned for the winter months and will be well advertised. If there are other topics that may be of interest to you, please fell free to call my office or come to the next Advisory Board/Neighborhood Watch meeting.

The police department currently maintains a wide array of computer equipment and software. Some of these applications are specific, such as our records management system, and others are generic to any business application. In addition, the Town has recently purchased a Web page package. There is currently not an IT person within the department and I suspect we may not be conducting business as efficiently as possible. If there is any person(s) in the community that has expertise with software and general business applications, and would like to donate some time maybe auditing our current system, please feel free to contact me at your convenience. My telephone number is 301-773-8362.

Halloween is on Monday, October 31, 2005. "Trick-or-Treating" is scheduled from 6:00 to 8:00 PM. There will be extra police patrols on the streets that night and we are encouraging "Trick-or-Treaters" of all ages to use extra caution when crossing roadways or walking in the street. In addition, I am requesting that all residents activate as much exterior lighting as possible and to accompany your children to ensure their safety. On this night only, from 5:00 PM to 9:00 PM, report any complaints or suspicious circumstances directly to the Cheverly Police at (301) 773-8362. An officer will be on duty to take you calls during this time period and dispatch directly to officers in the field.

This approaching holiday season, don't lose your license to impaired driving. Did you know that your license can be revoked and your car impounded on the spot when you are arrested for driving while impaired by alcohol or driving while intoxicated. The Cheverly Police Department reminds you that law enforcement will be cracking down in the coming months on impaired drivers. Driving under the influence of alcohol or drugs is a serious crime, a crime that will cost you money, your car, and your license. The choice is yours – designate a sober driver or one will be appointed for you. Remember: You Drink & Drive, You Lose.

If you have a vehicle that you would like to donate for tax purposes, or if you have a vehicle you want removed at no cost, please contact the Cheverly Police Department. This department is currently looking for some vehicles that could be used for investigative work. Do not hesitate to call (301) 773-8362.

Finally, take the time to check the expiration date on all of your vehicle's registration plates. The Cheverly Police Department regularly enforces these violations by way of a summons, impoundment, or both. Unregistered vehicle owners can be fined and their vehicles impounded regardless of whether the vehicle(s) is on public or private property.

NATIONAL SEX OFFENDER PUBLIC REGISTRY

Last month the Justice Department unveiled the National Sex Offender Public Registry (**nsopr.gov**), which directly links to individual state databases—24 so far. Residents can go the site to get a list of registered sexual offenders living in the area.

CPRC Cheverly Parent Resource Cntr

The Cheverly Parent Resource Center (CPRC) is an inclusive group of parents of young children (generally, under the age of 7) living in or near Cheverly. Our membership includes parents who work full or part time as well as at-home parents. This year, the CPRC mostly communicates online. We publish an electronic newsletter about every other month, which includes a calendar of family events and local information. Our listsery (cprc news@yahoogroups. org) is for members to share and request information on a variety of subjects. This is where most of our activities take shape, and where you can get all the latest news. Also visit our website: www. cheverlyparent.org. It has up-to-date information about local activities, resources, and schools and more, as well as information about how to join.

The CPRC welcomes new families with young children to Cheverly with welcome baskets. If you know of a new family in town, please contact welcome@cheverlyparent.org with their contact information. We hold morning playgroups Tuesdays and Fridays, 10:30AM-12:30PM at the community cen-

ter gym (poor weather) or at Gast Park. At the gym, we have many ride-on toys, balls, sliding equipment, and baby toys. All are welcome, regardless of membership status! We also organize potluck dinners, holiday parties, pontoon boat rides, hikes,

and camping trips for kids Almost all events meet on weekends so working parents can be a part. Our membership dues are \$15/school year.

Please join us for an informal Fall Tea & Cider planning meeting at the Bridgers home on Saturday, October 22nd from 10:00 to 11:30 AM. (Adults only, though babies in arms are welcome.) For more information including meeting address, email Caroline Bridgers at coordinator@cheverlyparent. org (preferred) or call 301-322-5958. Caroline Bridgers

Cheverly GARDEN CLUB If you have not been to a meeting, sorry you missed the September meeting with Gene Sumi from Homestead Gardens. NOTE: the change of date for the OCTOBER meeting. It will be on the fourth Monday, October 24th at the Cheverly United Methodist Church at 7:00PM upstairs on the 4th floor. PLEASE be on time as we

have two interesting speakers from Chesapeake Garden Club who will be presenting ideas for HERB use and small fun items for October and November for the table setting or a gift for someone.

This will be fun and informative so plan to come. If you are reading this and not a member you are still invited to our meetings and there is NO CHARGE. We are hoping to add new ideas and new members and we need you to come. For the November meeting we are going to do boxwood trees. They will keep for the entire holiday season and add a wonderful Colonial decoration to your home or to give. This will be HANDS ON, so you need to start looking for boxwood but do not cut now. Instructions will be given at the October meeting. It will be a small tree about 12 inches and all but the boxwood will be provided. Does someone know where we can cut or purchase some boxwood for this meeting? Think about relatives/friends that might supply you. Time to get ready for fall and winter...save cutting your greens for the holidays and plan where to put your bulbs and pansies...ALL are in the markets now. Elections will be held this year for the next two years so think of the people or yourself to run, etc. Enjoy the fall. It is always so lovely in Cheverly with the colors. Any questions please call Ann Gardenhour at 301-773-1991. A. Gardenhour
